EN 301 489-1 V 2.2.0

Certificate issued by a notified or competent body (for full address, please contact ASSA ABLOY Entrance Systems AB) concerning the equipment:

B.01999/19

B 050829 0049

UL File E47833

SC1319-13

Relevant technical documentation has been compiled according to 2006/42/EC annex VII section B.

The manufacturing process ensures the compliance of the equipment with the technical file. The manufacturing process is regularly assessed by 3rd party.

Relevant information about the partly completed machine will be handed over at a motivated and specified request from national authorities.

The equipment must not be used until the final installed automatic door system has been declared in compliance with the machinery directive 2006/42/EC.

The CE mark was first applied 2013-10-10

Compilation of technical documentation applicable to the listed essential health and safety requirements:
